On-side bed reading position

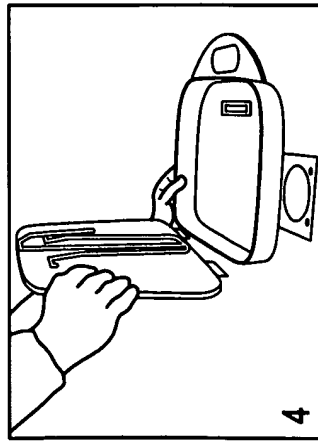

Pull out the Side Support and place your 1/2 opened book on the reading lid and under the 2 Page Holders.

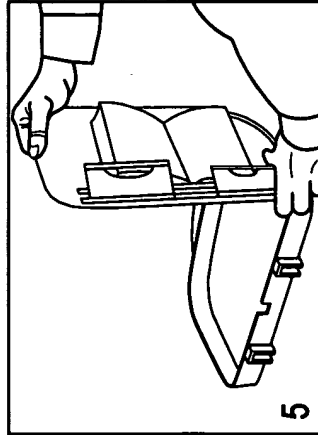

Pull out the Center Book Wire from under the lid and rotate upward.

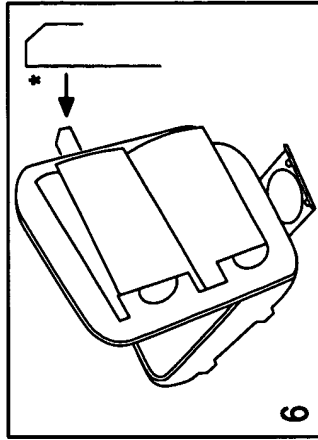

Push the Center Book Wire through the slot and onto your book.

Unlatch, raise lid, and unsnap from case by pulling straight up.

Attach lid vertically onto the side of the case (above the side support tray).

Now you can enjoy reading on your side in bed. Happy Reading!
